15th December 1975

*Dear Mr. Kleiger,*

Thank you for your letter of the 10th December which I found very reassuring.

I do not know if you have seen a copy of my address to the Dieppe Veterans and Prisoners of War Association in September 1973.

Major General Churchill-Mann, <sup>the</sup> a Senior Canadian surviving officer of Dieppe, was so impressed by my talk that he went to the expense of having it printed and circulated. I enclose a copy herewith.

A Canadian Military Historian, Colonel Stacey, had criticised two of my statements in the Journal of the Royal United Services Institute for Defence Studies and the Editor kindly let me reply and this was also printed. This is included in the booklet.

I hope you will find it interesting and of use.

*Yours sincerely  
Maurice Walter de Guena*
