The Chief Rabbi,
Dr. Immanuel Jakobovits B.A. Ph.D.,
Adler House,
Tavistock Square,
W.C.1.

8th March, 1976.

Dear Dr. Jakobovits,

"RACHEL'S MAN", the film produced by Mr. Michael Klinger, is an interpretation of the Biblical story of Rachel and Jacob, and it will be premiered at the Odeon Theatre, Marble Arch, on March 25th. The enclosed brochure gives some relevant details about the film.

I am writing to you as I would indeed be proud if you would accept an invitation to attend the opening night. Of course this invitation is extended to any guests you may care to bring with you.

I have also invited His Grace the Lord Archbishop of Canterbury and His Grace The Archbishop-Elect of Westminster as I feel this Biblical story is of universal appeal.

If you require any further information or if you wish the film to be screened beforehand to a member of your staff, please do not hesitate to let me know.

I look forward to hearing from you.

Yours sincerely,

D. Dawson.
Managing Director.
