Dear Peter,

Many thanks for your very quick note regarding THE LIPEY and THE CHILIAN CLUB. I was most interested in your comments.

I would love for us to do something together and will continue to look for a subject which will excite us both. I hope you will do the same. As a matter of fact, I know of something interesting right now and as soon as it comes to hand I will send it to you.

In any event, let's persevere. I will certainly keep in touch and pursue anything which I think has possibilities.

Hope you are having a pleasant stay in Paris. Right now it is pouring with rain here, but even in the rain London isn't bad.

Much love,

Yours,

Michael Klinger
