

19th February, 1979

Mr. Roger Moore,  
Boulogne Studios,  
2, Rue de Silly,  
92100 Boulogne,  
France.

It was really great seeing you, quite like old times.

Here is a draft of "Pushover". Naturally, you are reading the part of the black man so get the accent ready.

James Fargo, whose last film with Clint Eastwood, "Every Which Way But Loose", (over fifty million dollars in the States), loves it and is dying to do it with you.

Thanks for a lovely day. I look forward to seeing you again really soon.  
Love to Louisa.

Kind regards,

MICHAEL KLINGER.
